POSITIONS OPEN FOR RECRUITMENT (search “Employment Opportunities”):

- Click on “filter” on the right side of the page just above the listing of jobs. Select “department” and then “Health Care Agency”. Open positions are listed in alphabetical order.
- If the job is open for recruitment you can apply for the position by clicking on the job title and then clicking on the “Apply” tab. Follow the directions to “create an account” and then fill in the application information. In order to complete the application process, after you fill in the application, you must complete the “certify and submit” process. You will then receive an email confirmation that your application has been received.
- Your application then goes through a screening process and if you meet the minimum qualifications you will be invited in for a written or oral exam; after this you will be placed on an eligibility list and then scheduled for an interview.

POSITIONS THAT ARE NOT CURRENTLY OPEN FOR RECRUITMENT (search "Job Descriptions"):

- Information about various positions can be acquired by searching under “job descriptions” for the job classifications listed above. Click on “menu” in the upper left hand corner and then click on “Job Descriptions”. Search for the job classifications listed above. When you click on the job description you will be able to read information about the job, including benefits and salary range. If you want to be notified via email when the job is open for recruitment then click on the tab that says “Subscribe” and enter your information in the “Job Interest Card”. You will be notified by email when the position is open for recruitment.

FIRST TIME APPLICANTS:

- After creating your account you will be able to enter in your application information. This information is stored in your account and you can return at any time to update or revise your application. This information is also saved in your account if you find additional positions later on that are of interest.
